

Front End Test Suite

🕒 9.2s 📄 3 ✅ 3

✓

TestCase 1: Click Enroll with Empty fields

2.6s

```
cy.get('#root > div.sc-gUjWJS.gpDtLX > div:nth-child(1) > div > div > div.sc-bwzfXH.gwZiig > div:first-child').find('button').eq(1).click();
cy.get('button.MuiButton-containedPrimary').contains('Complete Payment').click();
cy.on('window:alert', message => {
  expect(message).to.equal('Something went wrong !! Your enrollment attempt was not successful!');
  cy.on('window:confirm', () => true);
});
```

✓

TestCase 2: Enroll Working after login

3.2s

```
cy.get('#root > div.sc-gUjWJS.gpDtLX > div:nth-child(1) > div > div > div.sc-bwzfXH.gwZiig > div:first-child').find('button').eq(1).click();
const name = chance.name();
const cardNumber = chance.cc({
  type: 'Mastercard'
});
const expiryDate = chance.exp();
const cvc = chance.integer({
  min: 100,
  max: 999
});
cy.get('input[name="name"]').type(name);
cy.get('input[name="number"]').type(cardNumber);
cy.get('input[name="expiry"]').type(expiryDate);
cy.get('input[name="cvc"]').type(cvc);
cy.get('button.MuiButton-containedPrimary').contains('Complete Payment').click();
cy.get('div[style*=transform: translate(-50%, -50%)]').contains('Your payment has been successfully processed.').should('exist');
```

✓

Test Case 3: Check Enroll After Logout

3.2s

```
cy.get('button.MuiButton-root').contains('Logout').click();
cy.get('#root > div.sc-gUjWJS.gpDtLX > div:nth-child(1) > div > div > div.sc-bwzfXH.gwZiig > div:first-child').find('button').eq(1).click();
const name = chance.name();
const cardNumber = chance.cc({
  type: 'Mastercard'
});
const expiryDate = chance.exp();
const cvc = chance.integer({
  min: 100,
  max: 999
});
cy.get('input[name="name"]').type(name);
cy.get('input[name="number"]').type(cardNumber);
cy.get('input[name="expiry"]').type(expiryDate);
cy.get('input[name="cvc"]').type(cvc);
cy.get('button.MuiButton-containedPrimary').contains('Complete Payment').click();
cy.on('window:alert', message => {
  expect(message).to.equal('Something went wrong !! Your enrollment attempt was not successful!');
  cy.on('window:confirm', () => true);
});
```
